**\*Epic Membership:** This is a money saving membership for anyone wanting to make massage therapy a part of their healthy lifestyle, but don't want to invest in a larger package all at once.

Your credit card that's on file with us will be charged \$99 plus tax (\$105.83) which allows you unlimited massages for 6 months at the cost of \$1 per minute.

Make your massage a 90 minute session by clicking on the check box for the "additional 1/2 hr"!

### Examples of your savings:

If you have one massage per month you'll have paid \$76.50 per massage.

If you have a massage once a week during the 6 months you'll have paid \$64.13 per massage.

The more massages you have the more you save per massage!
